Report of Superintendent of Schools

February 1, 1943

To the School Board of Milan:

Herewith is submitted the annual report of the Superintendent of Schools; this being the twenty-third in the series of such reports.

During last three years three school buildings were in operation—the New Milan Village School, West Milan and Hodgdon Hill. The New Building with its modern system of heating, lighting and sanitary conditions is proving to be very satisfactory to all concerned.

The attendance percentage for the last complete school year was 94.9 with the highest percentage at Milan Village Intermediate School—96.8%.

In June, ten pupils were graduated from the Eighth Grade and we now have 22 pupils enrolled at Berlin High.

The present school year opened with four changes in the teaching staff. Miss Edith Johnson of North Stratford, N. H., a teacher of much experience, is now in charge at Hodgdon Hill School, Miss Shirley Flint of Milan and a graduate of Plymouth Teachers' College in class of 1942, is now at West Milan, Miss Marion Daley of Colebrook, an experienced teacher, has the Milan Village Upper Grade School and Miss Gertrude Woodward of Milan and also a graduate of Plymouth Teachers' College, is the teacher of Milan Village Intermediate School.

These new teachers have adapted themselves to meet the requirements of the pupils and are now carrying on the work very well.

The Superintendent has, as usual, visited all schools and classes regularly and has endeavored to give advice and help

where needed.

All the buildings now being used are well furnished and equipped.

It would be of benefit to the health of pupils at the Consolidated School, if an electric heater could be provided there and an arrangement made for serving at least one warm dish to the large number of pupils who remain there through the noon period.
